Forecast For The United Kingdom
Issued by Met Office Exeter
at 1600 on Thursday 11 Mar 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Another quite windy and showery day tomorrow.

This Evening and Tonight:
Further showers for many areas. Some heavy showers about with showers also wintry over higher ground in the north and merging to longer spells of rain over Wales and southwest England later. Windy and colder than last night.

Friday:
Another day of sunny spells and showers, some heavy. Also some more persistent rain over parts of England and Wales at first. Quite windy again and feeling colder than Thursday.

Outlook for Saturday to Monday:
Sunny spells and heavy, blustery showers Saturday, hill snow in the north. Showers in places Sunday, some longer periods of rain later. Rain in the west Monday, east remaining drier.
